WHO WE ARE

Control starts at the seed.

Olpad Aqua Limited is an integrated shrimp aquaculture and export company at Olpad, Surat district, Gujarat, incorporated in 2019.

We supply certified seed, inputs and technical guidance to our farmer network, buy back the crop, process it at our partnered certified facilities at Taloja and export to buyers in different markets.

01

Enable

Certified seed from more than 10 CAA approved hatcheries, medicines, minerals, aerators and field guidance.

02

Procure

Buy back from supported farms at market rates, after pre harvest testing and grading.

03

Process

Grading, blast freezing, IQF, cooking and packing at our partnered certified facilities.

04

Export

Direct export to importers in different markets, with documents prepared before loading.

More than 800

Farmers supplied and supported

4

coastal outlets: Olpad, Surat, Navsari, Valsad

20+

QC supervisors, each with five or more years of experience

21

Temperature controlled trucks, GPS tracked with real time monitoring

3

stage quality control: farm, facility and laboratory

40 km

from the partner facilities to Nhava Sheva port

PRODUCTS 01 TO 04

Four formats. Packed to your brief.

Every format is available in Vannamei and Black Tiger, in all sizes, all cuts and custom packing.

01

Fresh and Chilled

Farm fresh and held at 0 to 4°C. Suited to domestic supply and nearby export markets.

02

Frozen IQF

Individually quick frozen. Grade locked pieces with no clumping and easy portioning.

03

Frozen Shrimp

PD, PUD, peeled and cooked options. Custom cuts available on request.

04

Value Added

Butterfly, skewered, cooked and custom recipes developed to the buyer's requirement.

Species 01

Vannamei

Litopenaeus vannamei, the whiteleg shrimp

Species 02

Black Tiger

Penaeus monodon, the giant tiger prawn

PRODUCTS 05

HOSO

Head on, shell on

Whole shrimp with head and shell intact, graded at the pond and frozen for buyers who want the full presentation.

Block Frozen	Frozen in uniform blocks	**All sizes**	As specified	Vannamei, Black Tiger
Custom Cuts	To buyer specification	**All sizes**	As specified	Vannamei, Black Tiger

16/20

How to read a count: 16 to 20 pieces make one pound, or one kilogram for HOSO. The lower the numbers, the larger the shrimp.

PRIVATE LABEL

Packed under your brand.

Retail or bulk packing, with pack development and labelling for the destination market.

Formats: fresh and chilled, frozen IQF, frozen block, cooked and value added.

THREE STAGE QUALITY CONTROL

Checked three times before it is packed.

QC1 · At the farm

Pre harvest testing and grading at the pond. No pond is harvested before it passes.

QC2 · At processing

Grading and hygiene control, supervised by our own QC team inside the partner facilities.

QC3 · In the laboratory

Antibiotic, microbial and chemical testing, traceable to the farm of origin.

HACCP · BRCGS · ISO · FDA Registered · EU Approved · EIC Certified

Processed at our partnered certified facilities at Taloja. Buyer audits, visits and live video walkthroughs are welcome.

REQUEST A QUOTE

Send us your specification.

Tell us the species, count, cut, packing format, volume and destination port. Our export team will prepare a quotation to match.
